“ I ran out of gas on the interstate once and was walking from my car. Jeff was going west( I was eastbound) and he saw me walking from my van. He turned around and came to where I was and made sure I got gas . I always appreciated that and he and the entire Goldston crew always took care of Daddy when he needed help with his car(s) and mine too. Lifting the entire family up in prayer.

“ Jeff was one of my best friends in our younger days. We had many adventures together with Tommy, Beans, Boone and Wobble. Those of us that are still around won't forget our times together. Thankfully we are a whole lot wiser now. I'll sure miss my old friend. To Janet and Family I'm so sorry for your loss.
