“ *Dearest Mona, I am unsure if you will remember me but we went to HHS together. I just wanted to let you and your family know I am praying that time and faith will ease your pain. It sounds like your dad was a wonderful man. Love in Christ, Cindy*

“ *Please accept our most heartfelt sympathies for your loss. Our thoughts are with you and your family during this difficult time. Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you always. Jerone is my second cousin...we were classmates in school, participated in sports together and were running buddies in our younger years. Unfortunately, after high school we never got a chance to see each other again, but I'll always treasure those memories of our youth. God's speed to all of you.*

“ Proud of Me

*Every day I will know,
From your judgment just where to go.
Up in heaven or out by the sea,
In my heart you'll always be.
Whenever I think I am alone,
I'll remember the things you have done and shown.
Though sometimes I can't help but think and care,
About how you had to go was just unfair.
But the lessons I learned from what you've shared,
I'll know forever that you just always cared.
Now even though you're gone from here,
I will never let myself fear,
Because I know as I walk it's not just me, it's we.
And so every day from now on I hope you say to Jesus
That's my grand baby, and that you're so very proud of me.*

*I love you so very much papaw, we all miss you dearly.
You will never be forgotten*
