“ Mr. Jerry was a patient of mine at Tn Urology. He was one of my favorites!! He always had a smile on his face and something to say to make me laugh. I recently asked an ex coworker about him and how he was. This breaks my heart to hear of his passing. I know he is in a lot better place than we are. See you later my sweet friend! Betty you are precious person to me as well. I have good memories of visits when you all came in. My thought and prayers are with you and the family. Love & Prayers, Missy Edgemon
