“ *Mr. Plemons was one of my favorite teachers at RCHS. He had the most "infectious" smile that made everybody feel better. I can still remember some of the hints that he gave us in his biology class...to help us remember facts for his tests. May God give his family strength and comfort. Our world will be a little sadder. ---DeAnna Cox Gardner*

“*Doug and family, Mom, Jim and I are so sorry we cannot be there tomorrow. Jim fell and broke his hip 2 weeks ago and had to have hip replacement surgery. He cannot be left by himself for long periods of time, so I won't be able to come down for the service. We are praying for you and your family and please know we would be there if possible. Our thoughts are with you as we loved Jess and your whole family! Love, Louise Long Stallworth*
