“ *He was such a sweet and special friend to us! He always had something witty to say to cheer you up and he shared his wisdom with us every time we were down and didn't know what to do. I am saddened by the fact that his family and friends have lost a great man in their lives and I will keep all of you in my thoughts and prayers! But I rejoice in knowing he is in the presence of our saviour and he has no more pain! May God bless and comfort all of you as you learn to live without his body in your presence. His memory will always be with you. The best tribute you can leave behind for him is to model your life after him and soon you will be reunited in Heaven! RIP our friend..... Rick and Teresa Fort*
