“ Words can't express the sadness I feel for you, Mike, Clay, and family. I sure miss the good ol days when we were like family. I believe your Mom & Dad would have whipped me right along with you 2 if we would have needed it, not that we ever got into any trouble or anything. Its hard to believe their gone, but they won't be forgotten. Special Family, and special people forever in my life. You 2 were my brothers then and forever!
