“ A long time ago in a little hill in Kingston Hgts, this sweet lady was a wonderful neighbor. In years since, we found ourselves close by in the general neighborhood again. She was always steadfast in her care and open spirit of gentleness. She will be missed.

“ she was my daddy sister and I loved her very much. she always told everyone that I looked so much like her. I always called her cicket. She was married to my mother's uncle which is how my mother and daddy met. so her kids and I are both 1st and 2nd cousins. everyone always got a kick out of that story!!! she will be missed and I am sorry I could not be there to say good by but I will see her again and I know her and daddy are glad to see each other.. they were so close.. love you all

“ One of the sweetest people you,d ever meet. Whenever I had the chance I would stop by and see her on Rosedale. Always a smile and always made you feel right at home. It was a blessing to have her and the rest of the family as my neighbors for many years. Memories I will always cherish. May God Bless!
