“ James, John, Jamie and family -
So very sorry for your loss. I only met your dad a few times, but he left an impression. He was so very nice and had a great sense of humor. A very loving father and grandfather indeed. Prayers and hugs for all! We will see him again some sweet day. May your precious memories bring you smiles. He would want that for sure.
Love,
Stan and Donna

“ I was one of the dialysis techs that took care of Jimmie at Kingston Dialysis. He became more than a patient. He was one of the sweetest man that I knew. He always had us laughing. His stories were the highlight of my day. His hugs were the best. And his brownies and everything else he made were absolutely the best. He will be missed by so many, but all the memories will be forever in our hearts. Prayers for the family
