“ *Jimmy was a Dear Friend he was the most honest and caring person I've ever met. When he told you something you better believe it to be true and if you told him something you could rest assured it wouldn't go no further. He introduced to my next best friend, his wife Barbara, who is also honest and very caring. The love they had for each other was the kind of love that every one only dreams about.. Jimmy buddy I will miss you very much. When you get to heaven and I know thats where your going please tell my friend Cindy I miss her...*
