“ My thoughts and prayers are with all of the family. Some of you I do not know, but I knew Joan and she was a very giving person. She came into Ginger, Grant and Briann's life when they were very young. She loved them as she did all the other grandchildren, and as their other Grandma, that let me know right away what a fine person she was. She raised a fine young man, who I am proud to call my son-in-law. She will be missed by so many. May the wonderful memories that all of you have give you comfort and peace. She is not suffering now and is at peace with God.
