“ Hi, mom.

*Just realized today that it's coming up on nine years since you passed. I miss you much and wish I could still make that daily phone call to you. I wish you were still here to share all the things we enjoyed. You were my best friend, and I love you. I really, really miss your awesome cooking, too. Berke is doing great. He'll be ten this month. Dad's doing well, as is the rest of the family. Home's never been home without you, though. You passed too soon, ma. I love you.*
