“ I thank God for all of the support my family had and still has to this day. My mother did not leave a memory, she left a legacy. She showed God's love at all times, and I am honored to be her son. This holiday season I pray everyone is thankful for what they do have and use what they have to bless others like my mom did. I pray each day to be the kind of loving Godly person she was or better yet she still is. Mom we love u..... Love your son Courtney
