“ Betty, and family, I can only say good things about Joe Young. He worked with my husband for over 30 years. Bobby talked of him often. We made a trip to Knoxville a few days before he died, and I know we talked about him from Crossville to Knoxville. Laughing about things he did and said. One thing that will always stay with me is when Our Son died. Joe came to the funeral home and as soon as he came through the door, he started praying for our family. Joe Young was a good , caring person who Bobby and I will never forget. Our deepest sympathy to your family.

“ Dear family,

I know you will miss Joe. He was a very good person.

Growing up with Joe was a very nice expedience! He loved to tease some of us in school and band. He was always fun to be around.

One summer he was at the Kingston Park when some friends and I were there. Someone put on a Polka record. I could square dance but not the polka. In a few minutes Joe had all of us flying around the pavilion area doing the Polka in our swim suits. When my baby sister died, Joe was very nice and comforting about the situation.

I had not seen him in may years but he will always have a place in my favorite memories.

May God give each of you peace!
