“ He will be greatly missed! He was such a part of the fabric of Trenton Street Baptist Church. No one will ever be able to fill his pew, like he could. Such a kind person over all the many years I have known him....

“ So sorry to hear of Mr. Collins' passing. Steve and I have known each other since 10th grade at HHS. I used to put groceries in Mrs. Collins' car at the White Store. Good times back then, and great memories to have. Steve and Sherry, you're in our hearts, prayers, and thoughts.

“ To all the Collins' family, John was a good man. He was one of the finest men I have known. I am so sorry about his death. He would never complain when I asked how he was doing. This world is better because he was here.

“ Growing up I spent many days, nights and numerous meal times at the Collins home. They were like a second family to me. Mr. Collins was one of the kindest and hard working man I have ever known and being his oldest son's best friend he always inquired how I was doing whenever a family member spoke with him. I know that he deeply loved his children and remember one summer night in particular where, not knowing where 18 year old Steve was he knocked on my door nearly in tears asking if I knew where to find him. I did what any best friend would do...I ratted Steve out and immediately he smiled and thanked me...of course things did not turn out that well for Steve but that is another story. I knew in that moment how deeply he cared children and family and that particular moment he helped me realize that no matter how old we get our parents still see us as their babies and worry about us. It was a life long lesson for me. I will miss seeing and chatting with Mr. Collins at Pattersons along with his laugh. Thank you for being such a fine Christian example of a man for all of us. God bless the Collins family and may Mr. Collins Rest in Peace.

“ Johnny was a good friend in high school.I'll never forget when we were Sophmores,we had an away game and after the game and we were dressed,the team would go somewhere to eat.Coach Ballard would stand at the bus door and give all the players a dollar bill to by a meal.Johnnyu hadn't played so he refused to take the dollar.I believe he was the only one that didn't take the money.He didn't think he had earned it!
