“ While researching my family tree for my father, Ford W. Arp, this sad news appeared.

If I am correct, John was the son of my cousin Pat Arp(Henry), daughter of my father's brother, David Lee Arp.

I brought my dad to visit in 1990. It has been such a long time.

My Mom, Loretta, passed in June.

Your son was so young...please accept my sincere sympathy.

“ Commissioner Henry and family,

I am so very sorry to hear about your great loss. What a fine looking son! It does not seem life should be such that parents lose their children during their lifetime. I have often said, "Being a parent was the best thing I have ever done but also the hardest".

I wish you peace during this difficult time. I wish you wonderful remeberances of the good times- the wonderful son that brought great happiness.

My thoughts and prayers are with each of you.

God bless.

“ I just read about Johns passing and wanted to let you know I was thinking of you. My daughter went to Michael Dunn for several years and passed away when she was 13. That's been over 15 years ago, and hardly a day goes by without thinking of her. She suffered terribly for 13 years, and for her sake I am glad she is no longer suffering.

Sincerely,
