“ *Sure am sorry to hear about the passing of Mr. Skidmore. He was a longtime regular at the Hardees where I worked. We all loved him and never charged him for his coffee. He could tell me all about the people he used to coach. I am glad I got to know such a kind soul. My thoughts and prayers are with his family.*

“ I fondly remember Mr. Skidmore in high school at RCHS. Living in Oak Ridge for a few years and then later on when coming into the area to visit my children, I often visited him when he was at work as a greeter at Walmart. We had some good wonderful talks about the past and present. He is one that enhanced my life. The best part of all is knowing he was a Christian. I will surely miss him. Scott Cochran

“ Fond memories of John. Used to tease him about the bench sitters in front of what used to be a full service station in kingston. He was a goid Christian man I know God welcomes him home.

I have many good memories of John. He was a good man. Always so nice and kind to me. The memory I remember the most was about Patrick. When Patrick was very sick John was there. The day he came was the day Patrick passed away. I appreciated him being there so much. John Was a Gentle Giant. I Loved John very much. Prayers For The Family!

I remember Coach Skidmore when he coached at RCHS, I think your comment about giving someone a hug and I love you was such a tribute. I had never heard that stated like that so thoughtful of his family. Prayers for the family.

I knew Coach Skidmore through my friends at Kingston. Heard many good things about him and saw many of his basketball teams play. He was a fine man of the community who touched many lives both directly and indirectly. Rest in Peace and prayers of comfort for his family.

I've been acquainted with John for over 40 years. First as the basketball coach for RCHS, then later as a people greeter at Walmart. He was loved by and will be missed by so many.

I was fortunate to know Mr. Skidmore as a teacher. He taught Driver's Ed and was so patient helping me get over my fear of driving across a bridge. I also knew him from church. He was a kind, compassionate man of God who lived his faith every day.
