“ We are deeply saddened to learn of John's passing. We have been neighbors of John and his family on Ranger Lake for more than 50 years. I know he was excited to be free to spend more time in the north in pursuit of the elusive walleye during his retirement years. I pray he has found the perfect fishing hole...tight lines, John!

“ To the Family of John Trotter, please accept my condolences on the sudden passing of such a kind and wonderful man. John and I shared some good times together these past few years at our Camps on Ranger lake, and I will always have good memories of him and Tucker the dog which he loved dearly.
