Uncle Johnny made me a hamburger at the Rec Center a long time ago and I've talked about it in France and in Chicago and was so proud to have an uncle who had a bar. A good man. My deep sympathy goes to all of his dear ones, especially Sharla and Uncle Elmer. I thank Mike for pulling my brother Paul Bruce and sister Linda and me into that group of people who thought Johnny would make it through. Nancy Lee (Johnny's niece and Paul and Laura's daughter).

A fond memory of Uncle John - my senior year of high school (1979) in Sweetwater, the football booster club sold raffle tickets for prize drawings at the home games to raise money for the team. One of the prizes was a game ball signed by the players. My last regular season game was against Madisonville and both teams were ranked in the top 5 in the state at the time. They came into Sweetwater that night thinking it was their turn. We beat them 43 - 0 and Uncle John had bought the winning raffle ticket for the game ball. All the players signed the ball and it was delivered to him at the pool room the next week. A couple of months later at Christmas there was a present for me from Uncle John. You guessed it, the game ball. That was 37 years ago and I still have that ball, in fact it's sitting on my desk as I write this note. I'll never forget Uncle John or his gift. My deepest sympathy to his children and his many friends.
