I didn't know you Jonathan, but I know your mother, and your sisters. If you were anything like them, then I know for a fact you were an awesome son, husband and father and a Christian. Godspeed

“ When I heard of Jonathans passing I was heart broken. I remember this family from church and I remember when these twins were born. They worked hard and could do things in their youth that many older men could not do. The Whaley family has been a blessing to me over the years. I thank God for them. To Linda and the family I offer my sincerest condolences and prayers.
