“ Judy, I just thought about looking you and Joe up. I am so sorry to hear of his passing. I think of you and him often. I didn't know you two after your marriage, I remember Bobby (my first husband) and I came to Sweetwater when both my kids were small. Bob and I divorced years ago, I remarried a man that is everything Bob isn't! But what is so strange and you will appreciate this, His name is Joe too, like your husband. He was also Catholic and a Yankee! I know that we still think alike and your Joe would appreciate this. Hope you read this. I am so sorry that you have lost your Joe.

Joe was a great guy, he hired both of our children when they were young! I don't know if Judy remembers when I called the nursery and asked for Larry Joe, Joe said he is driving the truck right now! I about had a heart attack, Larry Joe was only 14! Joe Molnar said but Sue he is so tall! We have laughed many times over this thru the years. Judy you and Joanna had a wonderful girls dad and husband and grand daddy . He was kind in every way. We loved Joanna as a friend of Angela and your precious family as a whole. Prayers, love, hugs and sympathy for your loss . Too much love for all the loving care you gave him. May his life be a legacy for his beautiful daughter , wife and granddaughter and close family and friends! You were blessed. Sue and Joe Anderson Sr

“ Judy & Family. Am deeply sadden to hear of Joe's passing. I have a lot of memories of Joe as Rabbit & I were in the same buisness as Joe. But most recent when I moved to my daughter's to help take care of Rabbit before his passing. Judy, Joe and I would see each other at the VFW and talk of the old days. Will truly miss seeing him on my Visits to Sweetwater. Sending my love & prayers for comfort to all. Will miss seeing him. 🙏🙏🙏🌹🌹🌹💖💖💖
