“ Gary, I was Joy's roommate at UT. I was just now messing around on Facebook and decided to see if Joy was on here. I was shocked when the search pulled up her obit. I am astounded. Wondered why I had not heard from her in so long. Please email me if you feel like it and let me know what happened. Joy made my days at UT so memorable!

“ To the family of Joy, there are no words to help you at this time but our prayers and thoughts are with you. I knew Joy from 1st grade to graduation from high school. We also attended the same church and had been known to get in trouble. We had something in common that seemed to get us in trouble--we liked to talk. God Bless

“ *Dear Margrave family,  
Joy and I grew just a half block from each other all our lives. My parents and hers were the best of friends. Joy was always a brilliant light in anyone's life. Joy looked on my mother as her "second" mother. Now they are together in Heaven with God watching over them both. Joy will be sorely missed among the Roane County High School Class of 1963. May God watch over you, her husband, and you, her sons, in this difficult time. She was a true friend*

“ I have fond memories of cousin Joy dating back to my youthful visits to Kingston. I am so glad to have had the opportunity to visit with her a couple years back when she was here in Anaheim, CA for business and took a public bus adventure across the vast Los Angeles basin to enjoy a lovely dinner together and brief chance to see some of the "Hollywood" sights. She will be remembered as a loving and caring woman who touched many lives. My heart goes out to all her sisters and loving family.

“ Joy was a wonderful person and a good friend to all the writers at Tennessee Mountain Writers, one of which was my mother-in-law, Patricia Boatner. They were such great friends. She was right there with us at the hospital after Patricia had her stroke being supportive and loving to her dear friend. Joy will be sadly missed by all who knew her. Scott and I send our condolences to Gary and all her family.

“ I would like to offer my deepest sympathies to you. Although we haven't met, all of us have experienced the loss of a loved one. I am so sorry for your loss. Please know that you are never alone. Turn to the Holy Scriptures for guidance and to help soothe your heart. Psalms 34;18 assures us that God is near to those broken at heart and crushed in spirit. Please accept my deepest sympathies.

“ Andrew is a great friend and Fraternity brother of mine. Whenever Mrs. Margrave would visit she would always ask how I was and my family. She treated me like another one of her sons. She is and always was a very caring and warm hearted woman. She will be missed by all that know her.

“ Joy was my supervisor when I directed a dropout prevention program in Blount County through JTPA, and I admired her so much. She was compassionate, highly organized, generous with her praise, and a very stylish lady. We had a wonderful get-together about 5 years ago with other program directors and so enjoyed seeing her and hearing about her activities. My sympathy goes to her husband, sons, and granddaughters; she was one in a million and will be deeply missed by everyone privileged to know her. She truly was a "joy" to be around.
