LB

“ Joyce always treated us as first-class boat owners even though we only bought a middle-class boat. She was a constant advocate for spreading the love of boating to young people and touched many lives because of her passion. I'll always remember her inviting me in to chat in the office when I'd stop by, talking about her 'kids' and the latest and greatest that Malibu had to offer. God bless you guys as you navigate moving forward without her :(
