“ *I will never forget working with Juanita at the newspaper. I enjoyed our many trips delivering Skyway news magazines together and just hanging out. I loved her sense of humor and her kindness. I have many memories of sitting with her and gossiping at family reunions, catching up on all the family news. She adored the pumpkin pies Virgie Collins and I would bring her on Thanksgiving. She would joke that she would love us for another year for every pie we brought her. She will be dearly missed!*
