“ Beth and Mike: Juanita was also so sweet and I loved her alot. You, like myself, were fortunate to have good parents like Frank and Juanita. I really wanted to come to the services but it has not worked out for me to come to Kingston. I am thinking of you. I hope we can stay in touch.

“ Beth and Family,  
I just wanted to let you know I am so sorry to hear of your mother's passing. I have been there and know what you are going through. Even though we know our mothers have had rough years and we know they are better off to be with the Lord, it is still hard to lose those we love, particularly a mother and grandmother. Please know that I will keep your family in my prayers and ask God to help heal your heart. Blessings, Debbie Hensley
