DS

To my Johnkins / Ferguson family, it has taken me a moment to come to grips that I will not hear Nits voice or see her pretty face until I see her in heaven.

I know your pain, I feel your pain, and I regret that I am not there to hold and comfort each and everyone of you and to assure you that your tears will turn into smiles when she surrounds you. You will feel her warmth and love.

Juanita loved you so much, she lived her life for you, all of you. She was a great mother, cousin and friend.

She always gave me comfort since I was a child, with her stories, her gift of gab and her wits. I will miss Nit calling my name and telling me how spoiled the babies are when we talked to each other.

God places his angels where they fit the best and Nits place was with all of you, he knew she would spread love and kindness. She was so proud of you.

You are of her, love and take care of one another,

I love you,

Diana
