“ *Sonny and Mandy,*

*My heart sank when I ready of Judy's passing. I know how much you both loved her and will miss her greatly. But the time that you spent with her, the love she shared with you cannot be taken away. I remember my visits with you in your home, and the times that I shared with each of you be it work, school, and church. May the Holy Spirit keep you both in His care at this time and also know that there will be a day when we will see her again. And "When We all Get to Heaven, What a Day of Rejoicing the will be."*

“ *Sonny and Amanda;*

*So sorry to hear of Judy's passing. She was our Miss 9th grade, our cheerleader and a good ambassador to HHS. She was my tablemate in home ec. and we had some really good times. I think of all the classmates we have lost, Judy's is hurting me the most. My heart goes out to you both and know that now she is in heaven walking the streets of gold and has a crown of jewels. Her big smiles will be missed.*

“ *Sonny,  
I can not imagine what you and Mandy are experiencing right now at your time of deep loss. Judy is a beautiful soul. When we were cheerleaders together in high school, I always thought she had such a warm, loving spirit. I can still see that big smile and hear that laugh. I am so sorry for your and Mandy's loss. Know that many friends and family like me are remembering you in their prayers for comfort and peace.*

“ We are so sorry for your loss. May the Lord bless you with His presence and comfort. Mandy, may your memories of the love of your mother, which lives on after her, sustain you as you make your way through life.

Sonny, you were a good friend to Cay and Tina Lou and they loved you very much. If such a thing is possible in Heaven, there isn't a doubt in our minds that they were there to welcome Judy and help get her settled in.

“ Sonny and Mandy,  
We were so saddened to hear the news. We were immediately reminded of all the fond ballgame memories as we sat with Judy and watched the games and our girls cheering. Judy had such a sweet spirit, and she was so proud of her precious Mandy and rightly so. She always had kind words and a big smile and was always there to pitch in and help with whatever project the girls had going. She will be sadly missed, and you will certainly be in our thoughts and prayers in the days ahead.

“ I would like to offer my deepest sympathies to you. Although we haven't met, all of us have experienced the loss of a loved one. I am so sorry for your loss. Please know that you are never alone. Turn to the Holy Scriptures for guidance and to help soothe your heart. Psalms 34;18 assures us that God is near to those broken at heart and crushed in spirit. Please accept my deepest sympathies.
