“ *June meant a lot to me and Gary. When we attended church at Riverside she was so encouraging. She told Gary many times that she loved to hear him pray at church. That made him feel good because he always worried that he said prayers the right way. Sweet lady. Didn't know about her passing until today. Love and prayers to all of the family.*

“ I Absolutely Adored this lady. Having lunch with her and Kelly when she was feeling well was always fun. She was a prayer worrier and the one to go to if you needed to get a prayer to God because it seemed like she had a direct line to God's ear. She will truly be missed and there's just nobody else like her, she was one of a kind! Heaven is Rejoicing🙏 To Kelly my Best Friend, I K of how much you are hurting because as you know I to know what it's like to lose my Mom.
