We started to 1st grade at Luttrell Grammar School together and remained friends all these years. She was so excited to play for Cedar Fork Church as a young girl and never lost that love and zeal for playing. If there is a piano in Heaven she is probably playing it! We will meet again soon, Justine.

“ To the family of Justine Allison Cornutt: She was one of the sweetest and most likeable "girls" in our high school class. It was a pleasure to have her attend our last class reunions especially since her health was not good. Regretfully, we have decided not to come to Sweetwater because of our age (80+) and the health scare going on now. Just remember that we loved her. “ *Justine was a very special friend. I enjoyed doing her hair for decades until I retired in 2009. I picked her up for church after George went home to be with the Lord. My grandson loved her. He would tell me when we got close to her house. He enjoyed playing tricks on her. Eleven though I hadn't saw her in the past few years, I will miss her greatly as I know Marlin will.*
