“ Mamoo you are one of my hearts favorite people. I want you to know I thanked God for you today. I thanked him for your life, I then expressed my appreciation for the honor of your presence in my life. We need people in our lives who bring a smile to our hearts and brighten our worlds people who make us feel connected, appreciated, and accepted.
People who enrich our lives are such a blessing. There are places within our hearts that can only be filled with memories. I will forever treasure those memories. It didn't matter how bad my day was going if I saw or talked to you I knew the rest of the day would be much better. The stories of Mary and your job adventures were my favorite, many times you had me laughing so hard tears were streaming down my face thank you for that. Thank you for the kindness and Love you always gave to Tyler, Niala, and Joseph. They all love you and think the world of you and Paw. You were one of this worlds greatest gifts and it is a GREAT loss that we are feeling. Until we meet again my friend may you rest in peace. My deepest and heartfelt sympathy to Paw and family I pray that you may find some comfort and peace in this difficult time. Love, Girl Jamie
