“ Little Keithy, along with his sisters and parents have been a beloved member of my extended family for 18 years or so. We made many great memories as Young Marines of Lenawee County Michigan. Keith has always had a great heart, his humor made everyone around him smile and laugh, Keith was a good man who will be sorely missed. He will never know the impact that his smile, down to earth personality, and his huge heart has affected so many of us. We love you keithy, always and forever!
