“ Kenny was a good friend growing up. When I first met him he was riding wheelies on a Honda 250. His first car was a Vega, then he ordered a new black 1978 Camaro Z28. He kept it clean all the time. The last time I saw Kenny I ask if he still had it and he said no, someone had stole it. Lots of good memories growing up. Gone but not forgotten. RIP

“ Very sad day, Kenny was so good to me when I was a kid. If you knew Kenny you loved Kenny. He was always smiling. I'll never forget his voice. Rest In Peace good friend. You will be missed by many. Sara Ritenour
