“ *This was my daddy. His birthday is monday. :( He is veryyyy missed & loved. I still have his stuff from the funeral beside my bed. :/ I just hope he hears me when i tell him i love him and miss him. So much. It still hurts that i lost him the way i did & how i had to see him go. If anyone reads this, never take anyone for granted. Cuz you never know when you're gonna lose them. It's really true that you don't know what you have until it's gone. So cherish the people in your life. I love you daddy & mama does too. We miss you so much. We'll see you again.....*
