“ I sit here and look at your obituary and cannot believe you are gone. After all, we just celebrated Christmas 2017 with our boys together. I am so thankful we were able to do that. Thank you for all the wonderful years we had together and especially for our boys. You will never be forgotten and you will always be loved. Debbie

“ *Kim and I started first grade together. We could not just sign Kim or Kim H because of our names. I always thought that was so neat. We both had been taught how to write our first and last name before we started first grade together. Kim remained a kind and sweet friend thru our school years. Life goes on and we did not see each other much but when we did it was as if we had been around each other since those first grade years. I am so sorry he had to leave this earthly life but he has seen the face of our sweet Jesus now. Love to you all.*

“ To the family of Kim: My thoughts and prayers go out to each of you in this time of deep sorrow and loss. I have very fond memories of Kim. I was a bridesmaid at his and Debbie's double wedding, with Rick and Sonya's as well..He was always very polite and a gentleman. I hope that you can find comfort in Proverbs 3:5-6. "Trust in The Lord with all your heart and lean not on your own understanding; in all your ways acknowledge Him, and He will direct your paths. My deepest sympathy...Sharon McCuiston
