“*Kristin was such a role model for me as I graduated from college, got married and had my daughter. I learned so much from her for many years while working under her at Roane County Before and After School Program... She was such a great and caring friend to me while being my boss as well. I loved working as Site Coordinator of one of the Base programs mainly because of her support and motivation as a great leader. This was such a prime time in my life being so young. As I was experiencing so many new things having someone like Kristin to help me along with those was something that I will never forget or take for granted. As she may not have known but will know now; I truly looked up to her for being such a strong and determined woman. I pray that the Lord will bring peace to your family in the near future. I love you Kristin and I will miss you. I hope to meet your Hayden someday in the future. -Aleshia Fritts*

“*Kristin and I were friends and I will miss her very much. I know you are at peace now, but your life here was far too short. May God continue to bless the Jackson family in the coming days, and may they find comfort in knowing that she is resting in the arms of God. Love you dear!*

“ *Kristin was a part of our lives as my children grew up...first as a close friend of my oldest daughter Rene and a caring friend with my younger daughter Carla. She was in and out of our home often as we were neighbors. Later she was a caretaker for Before and After School program for our son Ryan. She genuinely enjoyed her work there. I loved her happy and bubbly personality and will always remember her for that. I hadn't seen her these past few years but loved following her posts on Facebook. Her posts reflected her love for humanity and life itself and showed her biggest joy was in her son and her family. You should be proud of the mark she left on others with her life. Smile often as you cherish your own memories. I will! Love and hugs. Sandy Odom*

“ My heartfelt condolences and prayers go out to the Jackson family as they part temporarily from another beloved child. The true blessing in this is that there is joy in knowing the hope of heaven and that we will all be together again one day. God give you His peace during this hard, hard time and know how many care about you.

Kristen you were one of my best friends for so many years. We didn't get to see each other in awhile because life moves people to different experiences in life but have always counted you still as one of my dearest friends. Thanks for welcoming me into your family in 2nd grade when I came to a new school and started a lasting friendship with you. You will be greatly missed but glad you are not in pain or suffering now. Praying for all of your family as they have a void in their hearts and souls right now. God please give them UNBELIEVABLE peace.

I got to know Kristin while she was Supervisor over the Before & After School Program. She worked at Roane County School Central Office. I worked at the Roane County Courthouse in accounts payable. I processed her invoices for many years. She made my job easier because she was so efficient. She was an upbeat, friendly, always smiling person. She would light up a room upon entering it. Doug, Jayne, David & his family, Hayden and his father are all in my prayers. Losing one child is unbearable, and now Kristin, I hope you stay strong and lean on your faith. I know Kristin and Josh are whooping it up after their reunion. There isn't really anything anyone can say to make it better for you all, (I know) so all I can say is "So sorry for your loss".
