“ I don't know what to say im so heartbroken about Kristy. I can't imagine the loss you'r feeling. Just thinking about this summer without kristy there to calm me down with her witty commentsat those baseball games scares me. She was my cousin and friend I can't get my mind around her not being there any more. Oh Lord i wish this bad dream would just go away and she would be back with us. Im so worried about the kids, they loved there mother so. and they will miss her terribl.,But if they need anything please give me a call.

“ It seems like yesterday when we were all in school together laughing and cutting up....I remember Kristy best for her laugh...we took our senior trip together and had many funny times...probably even took a few extra days out of school!...many years have past but, i know the world will be a smile less without her....and she will be dearly missed.

I am thinking of your family and pray that you will have some comfort and peace in days to come.

“ Courtney was in my class last year, and she will always be one of my absolute favorites! I wish there was something I could say to make this better for all of you, but there are no words for something like this. Please let me know if I can help in any way. I'd be more than happy to help. Please know that your entire family is in my thoughts & prayers.

“ Jim,
I don't know if you remember me or not but I was Devin and Courtney's kindergarten teacher. I am so sorry to hear of Kristy's passing. If there is anything I can do for you or the children, please feel free to contact me. There are no right words at a time like this, but know that my thoughts and prayers and Jesus' love is with you. May God bless, sustain and keep you all,
