“ *I didn't personally know Landon nor did he know me, but I always remember watching him skateboard in the parking lot of Morrison Hill Christian Church. I thought he was just the coolest dude ever! He's the one who made me want to buy a skateboard and try it out probably 15 years ago. I am so grateful he was able to reconnect with God before he passed on. We have God's promise of seeing him again and having a joyful reunion. Sending infinite love and prayers for you all.*

“ *Lisa and Tom: I am so sorry for the loss of your son, Landon. Landon was a classmate of mine and his laughter, smile, goofiness, and personality was deeply contagious. I probably never crossed Landon's mind over the last 10-15 years, but he crossed mine very often. I was always rooting for him and the hope of finding a healthy path in life. His passing has broken my heart and i wished there was something more i could say or do to ease the pain in your lives. Just know that i will forever remember your son as the funny, carefree, person he was. He was an incredible soul that will be dearly missed. Much love to all of you.*
