“ *Janice and family:
So sorry to hear about Larry. Larry just joined Facebook and he and I exchanged emails from December 18 through December 21. We were remembering some old times..I would email him a story and he would email me back a story....both of us laughing over some crazy things we did when we were young. It was good to reconnect with him and he sounded so happy.
I am unable to make the service since I live several hours away but I just wanted you to know that I will keep you in my prayers as you begin to pick up the pieces and move forward. I just wanted you to know that I was thinking of you.
