“ I only talked to you a few times but was impressed by your happiness and strength and your sincerity. You loved life and sought happiness. Your loss at such an early age is great. You have left a vacuum in your family that will never be filled. My only consolation and that of you mother is that you are now at peace in a much better place that we are and that one day your loved ones will see you again. We will always remember your smiling face and it will give us endurance to support the heaviness in our hearts. Rest in peace Lauren we will join you some day.

“ I am so sorry for your loss. It was a terrible accident that took two precious lives. I know that this is such a difficult time for both families. I did not know Lauren but from what I have read she was a beautiful, smart, vibrant, caring young woman that will be deeply missed. Nathan was a dear friend of mine. Please know that your family is in my prayers.

“ Lauren was an amazing person. She had the biggest heart of anyone I knew. She loved life. She has been my best friend since the 7th grade. We grew up together in Oklahoma. She was always there for me even after she moved away, we continued to keep in touch throughout the years. I will miss here dearly. This has been incredible hard to lose her. I pray for her family and friends. She will always remain in my heart. I love her very much. She will always be my sister at heart.

“ To the entire Hendershot family,
I was a friend of Lauren from the first day she began Roane Co. High, I can't count the number of times we got in trouble together in school. There is no amount of words that can express how devastating this is on everyone, from my own experience of going through a terrible accident and losing someone young and close I can imagine the emotional tole this is taking on everyone. I will remember Lauren for that big beautiful smile and her laughter. I will continue to pray for the family and friends, especially the ones that were closest. The only way I have been able to deal with the loss is just knowing that she is in a much better place, God needed her as an angel. I know God will help and comfort each and everyone through this difficult time of loss.
