“ *Mrs. Wilcoxin, I was sorry to reas of Junior's passing. I met him years ago at Renfro's service station across from the courthouse where I worked. He was always pleasant and we became friends. You could get a lot of advice while setting on the bench out front! My life is better having known him. Please accept my sincere condolences.*

“ Anna, I'm sorry I will not get to the visitation at the funeral home, but
we have talked and I expressed my sympathy. Some of my vivid
memories of Junior was seeing him and James Renfro walking on
the trail around the lake.
I'll be praying for your family and will be in touch. Helen

“ Some of my fondest memories from my childhood were the times
that Junior and my dad would take us kids to the UT football games
in the sixties. Because of my dad and Juniors love of UT, I have
been a lifelong sports fanatic and have in turn carried on that
tradition with my kids and grandkids. May God bless and comfort
everyone.
