“ Lee was the first neighbor I met after moving to the wonderful town of Sweetwater. He not only became a great neighbor, but also a wonderful friend! He blessed my entire family, and especially my son. I'm so grateful for the bond of friendship and acceptance he had for him. What a blessing to have worked with him and hear his many VERY interesting stories. May God bless and comfort his family, especially Ann, as they grieve his absence. He'll be greatly missed!!!

“ He was one of a kind, I helped with doing hay for a couple of years and projects he had around the house and farm, he taught me so so much over the years when my family and I moved there back in 2021. I couldn't have asked for a better neighbor and friend, keep plowing those fields in heaven Lee! He truly made me the young man I am today
