“ JL,
*I just got this email with the news of Scotty's death. I am saddened ,as you know she was mine and Gerald's "other" mother for many years. Scotty and "Big John" treated me like their own and took me in when I needed help! May God bless and keep her till we can see her again. If I can do anything please do not hesitate to call me.

“ *For almost 50 years Scotty treated me as her son. She (and "Big John") was a positive influence on my life and all who knew her was better for it. Seldom in life do you meet a person as good as Scotty.*

“Lil Girl”

This precious Angel brought me many days of happiness and security. We laughed, we cried and most of all we loved each other. The special "kitty" Ms. Julie was a bright spot in her life and brought her many hours of unconditional love and that is how Scotty loved those that were close to her heart. The sky was the limit on her son, she was so proud "he is who we laughed about" but don't tell him. I will miss her but I have not lost her, I know exactly where she is and there she will be waiting for me.
