“ I'm so very sorry for your loss. It is evident that she was a good and kind person, loved and appreciated by many. I recently lost someone close to me and can appreciate the heartache words cannot describe. With that in mind, I am moved to share with you a thought that helped me through the pain. That is the words of Jesus himself in the book of John, chapter 5 and verse 28, 29. He said 'Do not be amazed at this. For the hour is coming in which all those in the memorial tombs will hear his voice, and come out.' I was so relieved to know the bible talks about an earthly resurrection; a time of peace when we will see our loved ones again in perfect conditions according to God's own will. I encourage you to hold on to that hope and learn more. It is my sincere wish that learning of this will give you the comfort it gave me.

“ Dear Doak, I just learned about your mother's passing. I'm so very sorry for your loss. I don't think my sister knows yet either. She was such a precious woman and it was always a pleasure to see and talk to her at church. She will be missed.

“ Dear Friends, I have many fond memories of your precious Mother and Daddy when we attended Glenlock Baptist Church in the late 1940's and 1950 's. Your mother was such a loving and kind lady, always doing for others. When your Dad would have business in Roane county and go by my house, he would always stop to check on our family. May God be with you during this sad time and give you strength to continue your journeys in life. I will always have fond memories of all the Woodruff families. Love in Christ,

“ *To The Woodruff Family, I am so sorry for your loss. I have known your Mom for so many years now and grew to love her dearly as my own. She had told me at one time that I was like a daughter to her and she loved me. She has made me feel so very special because she said I was part of her family and I will see her one day in Heaven. It's not the same now, when I look at her house because I know Mrs. Woodruff isn't there. When I would come in from Texas, I always looked forward to seeing her but now there's just emptiness. But I know she's in my Saviour's arms and in no more pain. I'm so thankful the Lord let me see her one more time and tell her I loved her. I will always love you and miss you dearly Mrs. Woodruff.
