“ My deepest sympathy to the entire Lowery family. I also worked with Leon in the Computer Sciences Division at K-25. Not quite the same years as Stan, but later in the mid 70's. Leon was a fine man and well liked by all who knew and worked with him.

May God grant you peace at this sad time.

As you know Leon and I shared a lot of days together. He was without a doubt one of my best friends. We were born on the same day my being a few hours earlier so he always called me old man. We talked many times of our faith and trust in the Lord Jesus so I am excited had happy to know where he is now. I feel your family's loss and pray for all of you. If there is anything I can do for you please let me know.

“ I'm sorry to hear of Leon's death. In the mid 1960's we worked the same rotating shift in the Computer Sciences Division at K-25. We traded a lot of stories about the time we spent in the military. We continued to work in the same division within a short walk of each other for 30 years. I've never known a finer man. His personal faith was unmatched.

*My sincere condolences to Wanda and the family.*

“ Wanda, when I heard about Leon, I was shocked as I guess I was not aware that he was so seriously ill at the time. I pray that God gives you the grace to get through this just when you need it the most (and he will). I know you will look up but then again lonely days will come and I will remember to pray for you. Love you and God bless and keep you.

“ To all the Lowery family, I am so sorry about Leon's passing. I know he fought the fight. Wanda and Leon came to me when we knew Mom's cancer was ravaging her body to give me encouragement and support. I am so grateful for those moments. These days will be surreal.
