Tribute Wall

“ Leon was a next door and elementary school friend. After graduation 1962 we lost touch but in 2022 I was blessed to have the opportunity to meet and share great memories once again in our neighborhood before he sold the property. It was closure for me and I would imagine him. He was an easy going and very respected man who left a wonderful legacy. Rest In Peace dear friend.

“ John and I were neighbors with Leon when we lived in Sweetwater. He was a kind and caring person whom we enjoyed talking to. I'm sure that he would love to know how many friends he made in his new hometown who will cherish his memory. Condolences to Karen and his family.
