“ *To Dawn, Tony, Daryl, and all the family of Leonard,*

We have such very special memories of your father that go back more than 40 years. He and your mother were some of our first and best friends when we started attending North Point Church (then Trinity Baptist). They were so kind to Mark and Wendi who were toddlers at that time, and they remained special and good friends over the years we were with them. We are saddened to hear of Leonard's passing but have the calm assurance that he is with the Lord and in a "far better" place.

We wish we could have attended the service, but health issues prevent us from doing so, with Kathy in the middle of chemo treatments and Roger her caregiver. Our hearts go out to you in your time of loss of this very special man who was truly one of a kind! We will never forget him. May God give you comfort and peace in the days and months ahead.

Love,
Roger and Kathy McIntyre
