“ I am so sorry to hear about Leslie,s passing. Les was not only my friend but was A partner with a race car from 1978 through 1982. Les and I set and re-set 17 national records with the national hot rod association and won 2 national races, but my memories of the time spent traveling with him and working on the car far exceed any national fame we achieved.He was the life of the croud I rember everyone picked at him because he didnt wear any shoes at the hot starting line at the races.  
We will miss him verry much.

JP

“ *What great memories of Les in Kingston and visitng with "Power Pac" at MTSU. Les was such a unique person- so easy going, loyal and fun. We taught alot of my girlfriends to drive a straight shift in one of his Chevy's. What a great friend. My thoughts are with you all.*

*I am very sad to hear that Leslie has passed away. I first met Leslie in 1970 when I moved to Kingston. Leslie drove a beautiful blue 1956 Chevy. He was so proud of that car. We became good friends and spent a lot of time together during the next few years trying to make our Chevy's go faster. I can remember many a day and evening at Leslie's home working on cars. His parents, Bert and Jon, were always so nice and supportive. I can still picture the hood up, doors open and radio blaring on Leslie's 56 Chevy with parts spread out everywhere. He was such a great mechanic. Like so many high school friends we parted ways in the years ahead, each seeking our place in life. But when we did together, it was if nothing changed. I still think back to our earlier years, when working on cars and drag racing at the Bounty Drive Inn was an almost daily adventure. Leslie will always be in my thoughts and prayers. May this give some comfort to his loved ones in this time of sorrow.*
