“ *Dear Paul and Family:
Just now found out about Linda's passing. I know she was such a beautiful blessing to you, your kids and grandkids.
Linda and I were in music together for 4 years at MSU and also were in the Madrigal Singers together. We became very close friends over these 4 years and later during a crusade in Tupelo MS, she and Laura Mobley played for the crusade (Freddie Gage Crusade) and both stayed with my wife Kathy and myself in our home during that week. I could say so many things about this precious lady but the most compelling reason I feel to remember her was her love for Jesus. You could see Him all over her in her life and in her daily walk. Please express to your family our great love for her and her loss to so many.

“ *Dear Paul:

I just learned of Linda's passing from Graham and Michelle Keltner. I am so sorry for your loss. It has been a long time since we served together at LaBelle Haven, but I have such fond memories. It was always a joy to sing accompanied by Linda. She was so very gifted. One of my best memories was doing Moses with her hands flying over the keyboard with a very demanding score. Didn't even seem like a challenge to Linda. I;m just sorry I didn't know sooner, but you and your family will be in my thoughts and prayers. God bless!*

“ *I have known Linda since her brother Stephen played t-ball together. Very thankful for technology that has enabled us to stay in touch through the years. She was a dear and cherished friend. May God's grace, peace, and comfort abound to all the family.*

Should say, "since her brother Stephen and my brother Cole played t-ball together."

My husband, Len, and Linda were at UT Knoxville where both were working on their Masters Degree where Len was an Organ Performance major and Linda a Piano major. They both were from Mississippi. Linda played piano for our wedding accompanying two vocalists and a flutist as well as some solo piano. We also have a connection with you as my brother, Richard Moore, and his wife Tammie were acquainted with you through the pastorates and missions. In fact, I only found out tonight when I was talking with them that I asked about Linda and Tammy let me know she had passed away. Please accept our sympathy belatedly.

“ *Dear Paul and family,*

I am so sorry to hear about Linda's passing. I have so many good memories of her when she was in Knoxville at UT. She spent a lot of time at our house and she was always so fun. She was a wonderful pianist and piano teacher, she played from the heart and you could tell. I still have a piece that she wrote out for me (a bridge in a Barry Manilow song), she taught me to add to hymns and other simple pieces and oh the classical pieces!!

Peace to you and your family during this time.

“ I am so sorry for your loss Paul. Linda always wrote such beautiful praises of Our Lord Jesus Christ. She loved all of you so very much. And her grandchildren were always her most beloved that she enjoyed sharing with all of us. Heaven just got sweeter. Love Dorothy (Miller) Kelley.

“ You could never hope for a better person than Linda. She was our choir director at Fairmont Presbyterian. Her talent and love for her Lord were constant and shared. She leaves a wonderful legacy!

“ Dear Paul and family,
I'm heartbroken for all of you in Linda's passing. What a comfort to know she is not in pain and rejoicing in Heaven. She will forever be the best piano teacher I ever had! I am eternally indebted to her for introducing me to and teaching me to play many wonderful classical pieces. Much love to all.
