“ I was about 16 or 17 when I met Linda and I remember thinking I have never met another woman like her. She was so blunt about everything. Lol when I had her first grandchild roman she was so helpful to me more than anybody she helped out. She taught me alot and have me alot of laughs.(especially the day knock on the door)! She was a good wife a great mother and a wonderful grandma but most of all a special friend I will never forget. I love you Linda and tell Ronnie we love him!
