“ *I have many fond memories of Linda and all her siblings from when they lived next door to me in Emory Gap. She was always fun and so upbeat and ready to tackle anything. I've thought of Linda and her family many times over the years.  
May God bless Linda and all of her loved ones, we'll all see each other again on the other side.*

“ I met Linda in 2008 through her daughter, Shara. We became fast friends and she's been so special to me since the day we met.

Linda knew how she felt about things and life - we talked over the years about many good things and supported each other in varying ways through the trials and challenges. She came into my life at a time when the world would prefer I just be cast out (or that's how I felt). She was a special woman and a person I will never forget. I could count her if ever I had a need and I pray she knew and felt the same.

Linda was so smart, a work ethic like no other and if you had the privilege of being her friend or a family member, you were loved by a person who loved deep and long. She was a truth teller and to me, I adored that. She would always let you know where you stood and I deeply valued how much she "got me" as a friend. I got her too.

I am going to miss her ALOT. The idea she is no longer here - just seems unreal. But, my sister in Christ, she loved the Lord and I will see her again. This gives me hope and comfort!

I pray that her life and the celebration of it now, will lead others to know the Lord and choose Him as their Savior. I know that would please her. She knew who the real "fixer" was and I am so grateful that God allowed me the pleasure of knowing Linda, loving her, and celebrating her now. She helped me grow and let go too. Rest in peace my sweet friend - I will miss you always.

Until we meet again,  
Jess

PS - I love you Shara. Thanks for sharing your momma with me. It blessed me. I am so sorry you're going to have to learn how to grow and live without her now, but I know she equipped you in every way. She will ALWAYS remain in your corner for always. You are strong

*and beautiful just like her. I love you.*

“ *I am so saddened to hear about my friend. We had many great times together in our high school days and I will cherish those memories. You always made everyone smile with your beautiful, fun loving personality. I'm so glad we hugged and I told you I loved you when we last saw each other too many years ago. Rest easy my friend. My condolences to Shara, Michael, and the family.*

“ I don't even know what to say because this still doesn't seem real...I worked in the same building as Linda for several years and she had a larger than life personality. As I got to know her I saw what a generous person she was and how much she loved her family, especially her daughter Shara who no doubt was the love of her life. Linda could change the tone of a room with just her presence and could make anyone laugh if they we're having a bad day. I will miss our talks and I think I speak for several other employees that Linda was a one of a kind and will truly be missed💔 -Dee Dee Ashley

“ I worked with Linda for a short time, but during that time we had alot of conversations that made me feel like a part of her loving family. She became a true friend to me and I'm so sorry this has happened. I hope her family knows how much she loved them as she expressed that to me many times. I'm gonna miss her dearly. Praying for peace and comfort for her family
