“ Mom was very saddened at the lose of her friend, Linda or as everyone knew her Prissy. When Linda was living in Midtown she and mom got close again and talked on the phone alot. Mom had talked to Linda about a month ago and mom was very happy to hear that Linda was so excited about her faith and her precious walk with God. Linda will be very sadly missed by our family, but at the same token, how can we be so greedy to want her here on this earth with us suffering as she had too from day to day. If we are all living our lives right and know our Lord, we will see Linda again. Oh what a happy day that will be! She will be in rare form I am sure! God Bless you Charlie and Tonya...I know it's not easy for you to loose another family member,nor loose your mother. Our family will be praying for you all!!! Peace and love!
